

How to redeem your Cutting Board

Step 1: Follow this link to our Online Designer
<http://www.photobookshop.co.nz/custom/online>

Step 2: Click 'Start a New Project' click on 'Cutting Boards' select the size, then another box will pop up. You then need to click **Start Creating this Photogift**.

Step 3: After you click 'Start Creating this Photogift' you will need to either log in or register an account.

Step 4: Once you enter the designer you will see a section called **Layouts**. Click here and you can scroll through the list then click and drag the template you would like to use onto the board.

Step 5: You can then double click on the text box and type in your own message. Please note that we cannot engrave colours or photos into the wood.

Step 6: When you are finished you can click the green shopping trolley to place the order and you will be taken to the checkout page where you will enter your voucher code.

SUPPORT

If you need help at any point when creating or ordering your Cutting Board, please don't hesitate to contact our friendly support team. Email smile@photobookshop.co.nz (we try to respond within 24 hours) or you can also call us on: +64 9951 5739

Running out of time to redeem your voucher? You can always extend or re-activate your voucher for a flat fee by going to the following link: www.photobookshop.co.nz/voucherextension

Please note: As all of our Cutting Boards come from Natural Acacia Hardwood, you will find the woodgrain varies from board to board. Due to this, you may find the text can be darker and lighter on different parts, however our Production Team will always select the most suitable side to use. As all text is engraved into the wood we are not able to engrave photos.
